### LA PETITE HISTOIRE

GAZETTE is a French story made possible by the opportunities of a great city.

French born Chef Pascal & Maitre d' Walter met working in the London restaurant world more than 20 years ago. Having worked for the best chefs, they craved a rural French brasserie, a village café in the heart of London's busy quarters.

From the likes of Michel Rostang, Alain Ducasse and other mentors, they kept the rigor, respect for ingredients and pride of the terroirs to create a relaxed environment celebrating fun around the act of eating, the excitement for food discovery and being together around a garnished table, often in pure simplicity.

Everything on our menu is produced in our kitchens by London chefs from around the world. Chef Pascal takes pride and time in sourcing the best possible ingredients through suppliers that have followed him for many years.

Training takes a large part of our time, therefore our teams are made of real professionals as well as eager beginners, to whom we hope to transmit our passion for this industry, now more than ever.
